

# Welcome to Georgia VINE! Awareness & Education Session

Tuesday, April 23, 2024  
2:00 PM - 3:00 PM  
Eastern Standard Time

## VIRTUAL SESSION DETAILS

Exciting news for Georgia counties! Join us on Tuesday, April 23, 2024, for our Welcome to Georgia VINE virtual learning session. In partnership with the Georgia Criminal Justice Coordinating Council and the Georgia Sheriff's Association, we invite you to join the VINE team and learn about the benefits and features of the Georgia VINE service. During this session, we will discuss the Georgia VINE statewide expansion, and how VINE can help your agency meet state notification requirements. We'll take a tour of Georgia VINELink, the valuable tool used to register victims/survivors for notification of changes in offender custody status, as well as search for important Service Provider information.

## DURING THIS SESSION, YOU WILL LEARN ABOUT

- Georgia VINE's key features and benefits for victims of crime, law enforcement, advocates, and criminal justice personnel
- The important role of booking data
- The Georgia VINE implementation rollout plan
- How each county can join the statewide Georgia VINE service
- How to join the comprehensive Georgia VINE Service Provider Directory

## WHO SHOULD ATTEND

- State Program Managers and Staff
- Jail/Prison Administrators & Booking Staff
- IT & Network Support Staff
- Law Enforcement & Court Personnel
- Victim Advocates and Service Providers
- Social Workers
- Crime Victims/Survivors

## FEATURED SPEAKER

Karen Adams  
Manager, Marketing & Training Programs  
Equifax, Victim Services

## Don't miss out on this virtual training!

Reserve your seat today to learn about Georgia VINE and VINELink features. If you know someone who could benefit from the information, please encourage them to attend!
