

Trauma Informed Interventions: The “How” of Trauma Informed Care

Learning Goals

- ❖ *Learn the latest research on trauma informed interventions*
- ❖ *Identify types of trauma informed interventions*
- ❖ *Learn to use interventions for managing hyperarousal*

LiveSAFE Resources, Inc
48 Henderson Street
Marietta, GA 30064
Phone: 770.427.2902

A follow up to liveSAFE Resource's *Introduction to Trauma Informed Care* training!

You know that trauma impacts your clients' brains and bodies. So what can you do respond to the specific needs of traumatized clients?

Join us for a morning workshop exploring trauma informed interventions!

When: Friday, July 20, 2018
8:30-12:15

Where: liveSAFE Resources
48 Henderson St SW
Marietta, GA 30064

Cost: \$40

Contact: Anne Cumings, LCSW
